

Get the insights you need to grow your business

ListenUp!™ Survey by Constant Contact® helps you make more informed decisions—because you'll have a broader, more representative view of what your customers or members *really* think about your products, services, and communications. It makes conducting online surveys simple, fast, and highly affordable—no technical or market research skills are required. You'll gain ideas for new products or services—along with a deeper understanding of what it takes to satisfy—and retain—your customers, clients, or members.

Easy

Our Survey Wizard and more than 40 professionally written survey templates—from member satisfaction to testing new products—make creating your online survey a snap.

Fast

With questions and answer choices written by experts, you can create your survey in no time at all.

Targeted

Create targeted email lists based on survey responses, and then follow up with relevant communications.

Measurable

Interpret results fast with easy-to-read graphs and charts, and uncover revealing trends and patterns with Survey's powerful filtering option.

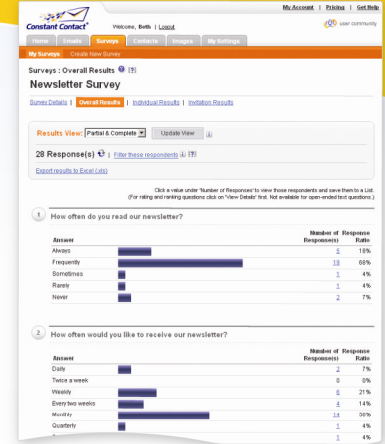

Affordable

With pricing as low as \$15 a month, Survey is one of the most cost-effective ways to gain insights, new ideas, and knowledge.

Discover why more than 100,000 small businesses, associations, and nonprofits rely on Constant Contact to better connect with their customers or members... nurture relationships... and grow their organizations.

Combine ListenUp! Survey with SpeakUp! Email Marketing

Ready to open the lines of communication? Listen to your audience with Survey. Then speak to them with Email Marketing. They'll know you've heard them because your communications will be relevant, targeted, and address their needs. **Save big with our special "bundle pricing."**

"The Survey Wizard allowed us to create a clean well designed survey in-house and the reporting tools allowed us to quickly evaluate responses and track results. Thanks again!"
